The undersigned declares that Scientific Forefront reserves all the rights in regard to the paper copyright without any limitation. It is a declaration by the undersigned that the submitted journal is original and created by self except for some of the information clearly referenced from its original source with legal authority from the copyright owners. The undersigned possess the complete authority to create and implement this project.

The scholars are requested to submit the duly filled and signed application form accompanying their finalized manuscript. The process of acquisition of copyrights over the published papers is subject to written confirmation from the authors which would allow their indexing for numerous documentations across the world.
